

AEROMIST AIRCON TREATMENT

Spanjaard Aeromist Aircon Treatment cleans air conditioners, neutralises and eliminates bad odours and freshens air in vehicles. Simple and effective. Available in three different fragrances; UPLIFT, REFRESH and ENERGISE.

DIRECTIONS FOR USE

1. Close all doors and windows.
2. Start vehicle and turn on the aircon.
3. Set air distribution to dashboard vent, recirculate mode and maximum fan speed.
4. Activate spray by pressing button down until it locks.
5. Swiftly place the can upright between the two front seats or on the vehicle floor.
6. Exit the vehicle and close the door. Leave engine running for 10 min.
7. Ventilate for 5 min with doors open before entering.
