

AIR CONDITIONER CLEANER

Spanjaard Air Conditioner Cleaner is a pleasant smelling, foaming aerosol spray with antibacterial and antifungal properties designed to kill odour-causing micro-organisms in automotive air-conditioning systems.

DIRECTIONS FOR USE

1. Shake well before use.
2. Start the car and turn the air conditioner to low.
3. Remove the pollen filter.
4. Spray the contents of the can into the airflow.
5. Allow foam to be drawn into the system and run air conditioner for another 5 minutes.
6. Switch off air-conditioner and replace pollen filter.
