

CATALYTIC CONVERTER CLEANER

Spanjaard Catalytic Converter Cleaner is a top-end product which cleans as you drive, restoring fuel efficiency and optimising performance.

APPLICATIONS

- Prolongs catalytic converter life and reduces emissions.
- Significantly reduces combustion chamber, intake valve and port fuel valve deposits.
- Improves drivability by reducing surging, stalling and rough idling.
- Excellent fuel system moisture removal and corrosion protection properties.

DIRECTIONS FOR USE

1. Add entire contents to fuel tank before filling up with fuel.
2. One bottle treats up to 75lt of fuel.
3. Repeat every 5000km or as required.

PROPERTIES

Colour:	Pale yellow liquid.
Features:	Relative density: 0.835—0.855

PACKAGING

375 ml

Revision: 080324
