

CONTACT CLEANER

Spanjaard Contact Cleaner is a solvent-based cleaner formulated to remove oil, grease, dirt, grime and other contaminants from electrical contacts and mechanical components. For the industrial cleaning of electrical switches and controls, electric motors and coils.

APPLICATIONS

- Quickly dissolves oil and grease
- Improves electrical conductivity
- Restore reliable connections between electrical contacts

DIRECTIONS FOR USE

1. Spray parts to be cleaned.
2. Collect excess solvent and contaminants in a container for disposal
3. For faster drying - wipe with a clean cloth.
4. Allow to dry.
5. Unless there is excessive contact time **Spanjaard Contact Cleaner** will not harm the normal insulation and metals found in electrical equipment.

PROPERTIES

Colour:	Colourless
Features:	<ul style="list-style-type: none"> • Appearance: Liquid • Specific gravity @25°C: 0.75

PACKAGING

400ml Aerosol

Revision: 080324
