

ENGINE CLEANER & DEGREASER

Spanjaard Engine Cleaner & Degreaser for heavy duty multi-purpose cleaning applications. Blue (Water-Based) and Red (Solvent-Based) versions are available and can be used on a wide range of surfaces including, but not limited to, engine components and concrete floors.

DIRECTIONS FOR USE

ENGINE CLEANER & DEGREASER BLUE (WATER-BASED)

Apply liberally to a warm engine by pouring contents directly from the bottle. Allow to soak for 10 minutes to loosen the dirt. Scrub with brush to remove stubborn deposits. Rinse off well by spraying with water.

ENGINE CLEANER & DEGREASER RED (SOLVENT-BASED)

Apply liberally to a cool engine by pouring contents directly from the bottle. Allow to soak for 10 minutes to loosen the dirt. Scrub with a brush to remove stubborn deposits. Rinse off well by spraying with water.
